Rosemary,

Actually I'm looking through my notes and realize we did discuss this a bit, mostly looking at the draft timeline Alexis put together ( I believe you were cc'd with that link, if not I can forward it). I see in my notes Kathy was going to add the 404(g) rulemaking to the timeline and there were questions of how NHPA consultation would fit and questions of Tribal consultation. I still think we should have it as a topic this morning.

Hi everyone – Do we want to spend some of tomorrow's meeting discussing Dave's question about timing of the ESA review, FR notice, and review/approval of the assumption action? Or should we set up a separate meeting if folks have other agenda items for this meeting?

Thanks,

Alexis
